What's your favorite thing about being an IRIS consultant?

Favorite thing about being an IC - My favorite thing about being an IC is the relationships I am building with the individuals I am partnering with. I am meeting some great people that I would not have met had it not been for this job.

What past experience prepared you to become an IRIS Consultant?

Past experience has taught me patience. All of my previous jobs have taught me patience and that I need to stop and enjoy the journey every so often.

What do you enjoy doing in your free time?

I love to read. I read a lot and anything from biographies to fantasy to books with my kids. When the weather is nice we do go to local racetracks to support our friends that race. We even have a dirt stock car in the garage for the husband to race. We also have a 1973 Gran Torino Sport that we have started to restore. I have started training to run. I'd like to accomplish a marathon in the next few years.
